PROFESSIONAL SUMMARY

Junior Frontend Developer and Computer Science graduate passionate about building clean, accessible, and high-performance web applications. Skilled in core web technologies including HTML5, CSS3, JavaScript (ES6+), SASS, and responsive design principles, with hands-on experience integrating RESTful APIs and converting Figma designs into pixel-perfect user interfaces. Proficient in version control using Git and GitHub, and currently expanding frontend capabilities into React. Eager to contribute to a collaborative development team while building scalable, real-world projects and expanding professional technical expertise.

TECHNICAL SKILLS

Languages & Core Web: HTML5, CSS3, JavaScript (ES6+), SASS / SCSS

Frameworks & Libraries: React (In Progress), CSS Grid, Flexbox

Tools & Version Control: Git, GitHub, VS Code, Chrome DevTools

Web Concepts & Design: Responsive Web Design (RWD), REST APIs, UI/UX Implementation, Figma-to-Code Conversion, Browser LocalStorage

Core CS & Soft Skills: Data Structures & Algorithms, Problem Solving, Adaptive Learning

PROJECTS

LaslesVPN Landing Page | [Live Demo](#) • [GitHub Repo](#)

HTML5, SASS (SCSS), JavaScript (ES6+), CSS Grid, Flexbox, Git

- Built a responsive landing page from Figma specs using modular SASS architecture and CSS Grid/Flexbox.
- Added smooth-scroll navigation, interactive UI components, and custom CSS animations using vanilla JavaScript.

Interactive Todo Application | [Live Demo](#) • [GitHub Repo](#)

JavaScript (ES6+), HTML5, SASS, LocalStorage

- Engineered a task management app with task filtering (All/Active/Completed) and dynamic Light/Dark theme switching.
- Implemented browser localStorage to persist user data and app state across browser sessions.

GitHub User Search App | [Live Demo](#) • [GitHub Repo](#)

JavaScript (ES6+), REST API (GitHub REST API), HTML5, SASS / CSS3, Async/Await

- Integrated the GitHub REST API using asynchronous JavaScript (fetch and async/await) to retrieve live user profile data, repositories, and metrics based on username queries.

EDUCATION

Bachelor Of Computer Science, Misr Higher Institute For Commerce & Computers([MET](#)) Jul 2019 - May 2023

CERTIFICATIONS & PRACTICAL TRAINING

Frontend Web Development Path | Almdrasa Platform Issued: May 2026

McKinsey Forward Program | [McKinsey.org](#) Issued: June 2026

LANGUAGES

Arabic: Native

English: Upper-Intermediate (B2)

WORK EXPERIENCE

Telemarketer-Cold calling, Proper Business Solutions “Senior level” Jan 2025 - Jul 2025
